

INTERPROVINCIAL RED SEAL CHALLENGE PROGRAM FOR PAINTER & DECORATORS

Created by industry, for industry, this program will support your experienced Painter and Decorators to get certified!

The Independent Contractors and Businesses Association (ICBA), in partnership with western Canada's leading painting contractors, has created a unique training program to support the painting industry with training and helping you or your people to achieve their Painter and Decorator Certificate of Qualification with Interprovincial Red Seal endorsement.

This 14-week blended learning program, covering course content for levels 1, 2 and 3, features engaging online courses, collaborative activities, regular classes run through Zoom, practical labs, along with expert video demonstrations of key tools and techniques.

This program is designed to fit in around working hours, so participants don't need to take any time off work!

Online courses are self-paced and can be completed at anytime, and classes take place twice a week after work hours.

Please note: It is recommended that participants have approval from the relevant Provincial and Territorial Apprenticeship and Certification Authority to challenge the Painter and Decorator Red Seal (IP) exam.

Limited seats available - register your interest today!

Program dates: September 11 - December 15, 2023
